

## Fortnight Lily (*Dietes*)

OUTDOOR PLANT – EASY PLANT

Type: Perennial (rhizomes)  
Sun: Full to part sun  
Water: Low water (once established)  
Flowers: White | White+Purple | Yellow | Other  
Size: 2'-3' tall, 3'-4' wide clumps

Fast growing, easy, hardy plant. Low water once established, but will flower better with regular watering. Tolerates shade, but grows and flowers best in full sun.
